WHAT WE OFFER

The **Nova Southeastern University (NSU)** Adult Services Program treatment providers are committed to working with individuals motivated to improve their level of functioning and mental health.

A comprehensive biopsychosocial diagnostic and treatment approach is used to help adults 18 and older deal with a wide variety of psychological problems.

We can help you with
- anxiety
- social skills problems
- depression
- stress
- severe and persistent mental illness
- other mental health issues

Services available include
- individual and group psychotherapy
- psychological assessments as they relate to treatment recommendations
